COMMENTARY TO
AMENDED AND RESTATED BINGO REGULATIONS

Having had the opportunity to evaluate and regulate the licensing and operation of bingo games in Macon County, Alabama, pursuant to Amendment No. 774 of the Constitution of Alabama, the Macon County Bingo Regulations are hereby amended and restated in their entirety in order to maintain, protect and enhance the integrity of, the viability of and the economic benefits derived from, bingo games for the eligible nonprofit organizations in Macon County that offer material charitable and educational purposes in Macon County, Alabama. The following changes have been made to the Macon County Bingo Regulations:

__Section 1(d)__: The definition "Nonprofit organization" is hereby amended to add the phrase "that is active and in good standing" in order to protect the truly viable charities in Macon County, Alabama, from a nonprofit organization that does not provide material charitable or educational benefits to Macon County and/or is an otherwise dormant, inactive nonprofit organization used primarily as a subterfuge to obtain a bingo license to operate games of bingo either directly or by contract with a third party individual or business entity.

__Section 1(j)__: The capital investment amount required for a "qualified location" for the holder of a Class B License is hereby increased to $15,000,000 and limited to actual cost in order to require any qualified location to prove a significant investment and financial commitment to Macon County prior to becoming a "qualified location". Further, the capital investment requirement is restricted to actual cost, not based on any valuation, in order to avoid any potential dispute or abuse based on any real estate appraisal submitted with an application.

__Section 2__: In order to maximize economic benefits to numerous nonprofit organizations in Macon County and to further avoid the potential abuse of a third party individual or business entity from using one nonprofit organization (or a minimal number) as a "front" to operate bingo games under a Class B License, the last two (2) sentences have been added to Section 2 of the Regulations. By requiring at least fifteen (15) nonprofit organizations to obtain Class B Licenses prior to authorizing such a bingo operation at a qualified location, assurance is provided that a large representative group of charities is afforded the opportunity to obtain the economic benefits associated with a Class B License.

__Section 4(a)__: The license for a Class B qualified location is hereby increased to $250,000, effective as of January 1, 2005. The license fee increase should provide additional funding for the Sheriff's Department to support, as well as retain, existing and increased law enforcement personnel to regulate and supervise the operation of bingo games in Macon County to preserve and protect the integrity of the bingo games for customers and for the nonprofit organizations.

__Section 9(f)__: The single prize limitation has been increased to provide greater attraction and marketing of the bingo games in order to enhance economic benefits to the charities in Macon County, Alabama.

Section 15: A new Section 15 is hereby added (with existing Sections 15 and 16 being renumbered Section 16 and 17, respectively) to incorporate into the existing Regulations the federal protection of transportation of gaming equipment from one state to another where such gaming activity is legalized in the state of final destination for such gaming equipment.

Section 18: The new Section 18 provides that the First Amended and Restated Rules and Regulations are effective as of June 2, 2004, except the increased business license fee for the owner of a Class B qualified location shall be effective as of January 1, 2005, and thereafter, and the provisions of new Section 15 are effective as of the date the Rules and Regulations were originally enacted by the Sheriff.
